. .-hacker-urges-players-to-save-titanfall-accuses-EA-and-revival-of-fraud/ ..

Last week it was reported that a previously unknown virus was found in the code of Titanfall, which, according to experts, threatens gamer safety. The hackers even staged a demo on Reddit where they demonstrated a black box attack on Titanfall. At the end of the video, you can see the hackers urging players to save the titans from viruses. A video appeared on YouTube in which the developers of Titanfall are trying to justify
