Q: Result Text not displaying in JTextPane with Eclipse RCP application I am new to Java RCP. I am just trying to implement simple JTextPane. Once my mouse is over the JTextPane the result text "it is working" should be displayed in it. But it is not displayed. Code: JFrame: final JTextPane jtp=new JTextPane(); jtp.setText("it is working"); jtp.setText("The text I am adding to test something."); jtp.setBounds(100, 100, 300, 300);
