Download Driver Genius Professional V8.0.0.316.7 Reasons to Start Walking Now! As the weather turns cold, most of us find ourselves wishing for warmer days and bright sunshine. But for many of us, a walk in the sunshine is not a realistic option—so the number of excuses grows. This is where we come in! We want to help you find the excuse to walk, and here are seven reasons why you should start walking today. 1. Lose Weight According to The American Journal of Clinical Nutrition, walking is the best exercise for weight loss. Regular walking can help you burn an extra 30 calories a day while burning fat and building muscle. Plus, the American Heart Association recommends 2.5 hours of moderate intensity activity, such as a brisk 30-minute walk, for every 1 hour of moderate activity. 2. Stay Strong Walking is one of the best exercises for balance and strengthening the muscles in the feet and ankles, which are often the weak links in the lower body. Aerobic exercise can also help you increase your stamina, which is essential for preventing the heart from becoming weak and vulnerable to future episodes of sudden cardiac arrest. Walking is also a great way to
