Welcome to the party!!! I am the black sheep of the cast. I really didnt see that one coming at all but you all seem to be really like the ahh cool kids.Well I am in the grey sheep group. Im definitely not part of the head honchos of the group. I do however crack a lot of your software and share your lovingly crafted entertainment with all my friends. It is quite the responsibility.But for some reason when I received the invitation, I decided to say hey you know what Im in. So here I am. While he had been working on his pants, his cock was just starting to become hard. His dick was much more than 3 inches now and was throbbing just a little as he thought about what his wife must be doing. That thought had him cumming again while thinking about it. Not that she would mind, actually I think she would be glad. That is if he was honest with himself. He pulled his fingers out of his crack and started to begin to stroke his cock through his underwear. He was about to cum again as 6d1f23a050
